Superintendent's Highlights

Kamiah School District received a CSRD grant to implement research-based reading and math programs, align curriculum, and fund all day kindergarten.

Ninety-five percent of all teachers have completed the Technology Competency exam.

Ninety percent of K-8 teachers have completed the Idaho Comprehensive Literacy Course.

Kamiah Boys took State in football and track.

Kamiah completed an extensive renovation of the athletic facilities, including a new track complex, with tremendous and generous support from community members

Progress Towards Meeting District Goals

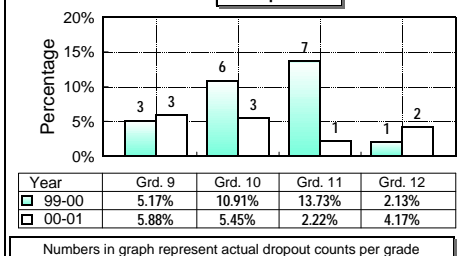

2000-01 Goals	Progress
Revise and update Kamiah's Strategic Plan.	The Strategic Plan has been in place for two years. We are updating the needs assessment and will revise the Strategic Plan so it continues to be a guide in the process of change for the District
To raise student achievement to State and National averages on all State mandated testing.	Implementing an all-day, every-day kindergarten to raise the level of academic readiness of 5 year olds.
	Implementing a program of strategies that will instruct students in test taking skills and provide experience in many testing formats.
	Greater accountability for teachers through increased supervision and evaluation.
	Implementing research-based reading and math programs.
	Communicate more effectively with parents regarding test scores and student achievement.
Continue to develop and align District curriculum to State and National standards.	Language Arts was completed this year. Social Studies will be written and aligned during the 2001-2002 school year.
